

# Insider's Guide to SAN DIEGO

**Welcome to San Diego** — also known as America's Finest City! Here you'll find the finest weather...the finest beaches...and the finest whatever else you're looking for.

We asked some of our San Diego friends for their recommendations on where to sample some of the local cuisine—and not just the Mexican dishes you'd expect in a border town. Here, there's everything from steakhouses to seafood places to the best Asian food this side of the Pacific. We put together a list of those secret locales that only the locals know about. After all, at Sonnhalter, we not only like to get our hands dirty...we like to get them sticky and salty too!

When you're not convening at the Convention Center, make sure you get out and about to see the city's many sights—from the old mission to the historic Gaslamp Quarter. See why they call San Diego America's Finest City!
